

Calling a Missioner to serve the Haitian Community in the Episcopal Church in Connecticut

communauté de foi

community of faith

kominote lafwa

"... ask the Lord of the harvest to send out laborers into his harvest."
(MT 9:37-38)

We are a diverse Christian community called to serve God's mission here and in our communities of origin in Haiti. We seek a spiritual leader who will join us as God shapes us through scripture, sacraments, worship, and study, and sends us out to minister and serve.

"Whoever welcomes one such child in my name welcomes me."
(MT 19:5)

We are a diverse community, geographically across Connecticut, and varied in age and background. We seek a shepherd to connect energetically with our young (and young at heart!), helping us engage and support our children and youth as they develop into our next generation of leaders.

"Lord, teach us to pray, as John taught his disciples."
(LK 11:1)

Our families, traditions, and faith in Jesus shape our three faith communities. We seek a priest to dynamically connect the scriptures to our daily lives, strengthen our relationship with Jesus, and inspire us to faithfully respond to what God is asking of us, here and now.

"Jesus said to them ... 'As the Father has sent me, so I send you.'"
(JN 20:21)

We are an established parish, an integrated community within an Episcopal congregation, and an emerging community in another. In addition, faith communities across our diocese serve a variety of Episcopal communities in Haiti. We seek a priest who shares our passion for serving God's mission locally and among Connecticut parishes in their service to the church in Haiti.
