

## Report to the 233<sup>rd</sup> Annual Convention – Parishes in Good Standing

The 74 parishes listed below have met the standards for reporting (submission of Parochial Reports and audit/financial reviews for 2016) and financial management (no aged receivables for pension payments to the Church Pension Group, no aged receivables for Common Mission Support, property, casualty and dental insurance, timely repayment of Revolving Loan Fund borrowings) as of November 1, 2017.

- The canonical requirement for submission of audits/financial reviews has been added to the good standing criteria this year. 49 parishes are not in good standing because we have not yet received their audits or financial reviews.
- An additional 41 parishes have outstanding receivables (totaling almost \$750,000) that are over 60 days past due for either Common Mission Support (34 parishes), pension contributions (12 parishes) or revolving loan payments (3 parishes).

Many thanks and congratulations to the parishes below that are currently in good standing!
